

Real Estate Loan Interest Rates

Effective as of August 30, 2010

Bourns EFCU offers loans for most members' needs. Your rate may vary and will depend on the type of loan you request, your creditworthiness, the amount of any down payment and the term you select for repayment. Some members will pay a higher rate. Not all members will qualify for a loan. Loan decisions are based on judgment. Maximum loan amount varies by type of collateral. Interest rates quoted below are for top tier credit and are subject to change without notice. See us for other terms and rates.

Rates below apply to loans for the purchase of a single-family, owner-occupied property, with up to 80% LTV on amounts up to \$417,000. Other rates apply for higher loan amounts, cash out refinances and rental properties.
